

## PROJECT INFORMATION SHEET

### PROJECT DESCRIPTION

CONSTRUCTION OF A SURFACING STRUCTURE on Highway No. 1 from 0.80 km to 0.04 km east of the East Access to Indian Head and; 0.33 km of the North Service Road into the community of Indian Head; for a TOTAL DISTANCE OF 1.09 km.

### PROJECT DETAILS

- The contractor for this project is Potzus Paving and Road Maintenance Ltd.
- Contract supervision will be provided by CIMA+ personnel.
- The contractor is expected to begin roadwork on July 19, 2017 and is expected to complete the project, weather permitting, in early September 2017.
- The estimated cost of this project is \$2.3 million, including ministry-supplied materials and engineering.
- Public traffic can expect minor delays and disruption to their normal travel schedules as westbound Highway No. 1 traffic will be diverted to the eastbound lanes of Highway No. 1. Two-way traffic will be maintained on the eastbound lanes of Highway No. 1 for the duration of the project. Additional, local detours will be in effect due to traffic restrictions at the East Access to Indian Head. The contractor will provide traffic accommodation.
- This is a capital project in the Southern Region.
