Dear Resident(s),

The Town has continued to work on converting the landfill to a transfer station since the April 26, 2018 awareness letter that was sent out to all residents. In addition to the changes at the landfill, the Town has been working at acquiring a qualified contractor to perform curbside garbage collection.

After careful consideration the Town of Indian Head is pleased to announce that Loraas Disposal has been awarded the contract for residential curbside garbage collection. Loraas Disposal has been in the solid waste business for over 40 years. The Town is excited to have obtained Loraas Disposal's services and expertise moving forward.

Curbside garbage collection will be collected by Loraas Disposal starting with the residential areas only. Commercial pick-up will continue to be collected by the Town of Indian Head Public Works crew. There is no change to commercial pick-up at this time. Also please note, at this time there will be no additional charge for residential service.

95 gallon rollout carts will be delivered to all residential addresses the week of January 7, 2019. Look for the Loraas Disposal information package attached to your cart. This package will include a hard copy of the pick-up schedule and other important information that will be of value to you regarding the new service.

Residential curbside garbage collection will be picked bi-weekly and Loraas Disposal is capable of picking the entire Town all in one day. The first scheduled pick-up for all residential dwellings is **Monday January 21, 2019**. You can immediately start placing garbage in your rollout cart once obtained. As mentioned, curbside garbage collection will then be picked every other Monday after January 21, 2019.

See an important message from Loraas Disposal on the reverse side of this page.

There will be a Public Awareness Meeting held on January 8<sup>th</sup>, 2019 @ 7:00 p.m. at Memorial Hall for anyone to attend if you have questions.

Questions can be directed by phone to (306)-695-3344 or by email to [townofindianhead@sasktel.net](mailto:townofindianhead@sasktel.net).

***Dear Resident,***

Loraas Disposal is excited to announce that Bi-weekly Curbside Waste Cart Collection begins Monday, January 21<sup>st</sup> 2019 in the Town of Indian Head!

During the week of January 7<sup>th</sup>, Loraas Disposal will be distributing waste collection carts to the addresses requiring service as per the Town of Indian Head's request. Upon delivery, you will receive your new cart, a collection calendar for 2019 (please save the calendar for future reference) and brochure. Your first scheduled waste pick-up from Loraas Disposal will be on January 21st.

*Please save the calendar for future reference.*

### **Carts**

Your cart will be collected from the same location that it was delivered to. In between collections, please move the cart to a secure location that is convenient for you to use.

### **Collection**

Your garbage cart will be serviced every two weeks. Please see the collection calendar for your corresponding days. On collection day, remember to have your cart out for collection by 7:00 am to ensure it is serviced.
