## Economic Development Week May 9-15

The Province of Saskatchewan has proclaimed May 9 to 15, 2021 as Economic Development Week in Saskatchewan. The Community Development Committee would like to use this week to focus on the importance of our local businesses!

Small/Medium businesses aren't just crucial drivers of the Canada economy; they are at the heart of all of our communities. Give back to local businesses; say thank you. Here's some quick and easy tips for ways you can help! A simple like, share or comment on Social Media can help that business get noticed and doesn't cost you anything. Consider buying a gift card for someone, or for later use. Order delivery or take out from your favourite restaurant.

When you support a small business, you're ensuring your money goes back into the community! It is estimated that for every \$100 spent, over 60% stays in the community. These are the folks who sponsor our teams and donate to fundraisers so let's do our part to support them too.
